-Bicycle

Tianjin is one of the cities in China with biggest bicycle population. Riding a bicycle is a zero carbon footprint way to get around. Most main roads have bicycle lanes and there are usually bicycle parking areas in major transport and shopping venues. Normal, mountain and electrical bicycles can be easily purchased at department stores, supermarkets and specialized stores.

Always remember to lock up your bicycle securely, bicycle theft is a common occurrence.

-Bus

Bus is the most common community mode of transport. The common charge is RMB2.0/per person. Please prepare the exact change before getting on the bus, as there is no conductor.

-Coach

Tianjin City→Bawangfen Coach Station, Beijing:

Tian Huan Passengers Transportation Station
